WHAT WILL I SUPPORT?

- Student activities are an extension of the school day and play a significant part in educating the whole child at Saint Thomas Aquinas High School. Activities outside the classroom encourage individuals to discover their many unique interests and talents while also creating learning opportunities through teamwork, cooperation and fellowship.
- Your gift to the Blue & Gold Annual Fund directly helps Saint Thomas Aquinas fulfill its mission by providing vital resources for activities that further enhance students' lives.
- You may also direct your gift to the Guardian Angel Fund. Your support of this tuition-assistance program will directly help families who are experiencing financial difficulty due to job-loss, medical emergency, divorce or death of a parent.

WHAT WILL MY INVESTMENT DO?

- Your annual support directly benefits the life-shaping, positive outlet created by extra-curricular activities in which students use and enhance their God-given talents.
- In addition, your support helps to fully fund student activities, therefore allowing these programs to continue to thrive while enabling the school to address other significant needs such as faculty retention and enrichment.
- Mostly, your gift perpetuates the Saints' legacy of community spirit, dedication and service to others.

HOW CAN I BECOME INVOLVED?

- Consider a meaningful gift to endorse student activities as a vital part of your student's growth while at Saint Thomas Aquinas.
- In thanksgiving for your blessings, make a contribution that will assist other families in need, so that they may continue to provide Catholic education for their children.
- Volunteer for Saint Thomas Aquinas High School
- Attend plays, concerts, games and other events, and be a vibrant part of the community!

WHAT IS THE NEXT STEP?
